Recycling for Schools

HOW TO MAKE A TOILET ROLL OCTOPUS

Be careful with scissors, ask for help from your parent/guardian.

You will need:

Toilet rolls - 1 per octopus

Paint & paint brush

Pens, pencils

Buttons, beads, felt etc

Glue

Method

- Paint the toilet roll.
- Once dry cut strips on one end to about miway.
- Add eyes and a mouth.
- Then curl the tentacles outwards to make it look like an octopus.

Want to have another go? Why not use your toilet rolls to make other characters – snakes, cats, imaginary characters…the list goes on!

DO YOU HAVE ANY EMPTY PRINTER CARTRIDGES OR USED GADGETS?

Remember to save empty printer cartridges and used gadgets. Bring them into your school to recycle! The more you recycle the more money you can raise for your school!
